

### **CENTEROO (PERFORMANCE FIELDS AND FESTIVAL VILLAGE) :**

Centeroo will be open with activities 24 hours a day. Everyone will need to have a concert bracelet to gain access to Centeroo / concert venue. Security will be strictly enforcing this policy throughout the area.

### **SECURITY / SAFETY:**

**DUE TO HEIGHTENED SECURITY CONCERNS, ALL VEHICLES WILL BE SEARCHED UPON ENTRY TO THE PARKING AREA. SORRY, NO LARGE RENTAL TRUCKS OR BOX TYPE TRUCKS ALLOWED.**

Event security / safety personnel and mounted patrol will be located throughout the site for the entire duration of the event. Each guest service (pod) area **in the campground** has a security station. If you have an EMERGENCY, find a staff person with a radio or go to the nearest security station, information tent, medical tent, or mounted security personnel.

### **RE-ENTRY POLICY: (NEW THIS YEAR)**

We are continuing to work hard to improve the inbound traffic flow and internal traffic circulation and have made a number of changes from last year's plan. One of the main changes is that, until Friday evening at 9:00 PM, vehicles will not be permitted to leave the festival and then re-enter the event grounds. This means that if your vehicle leaves, it will not be allowed to re-enter. After Friday evening, if you wish to leave the grounds in your vehicle and then return, you will have to leave through special security gates. At this gate we will register your vehicle when you leave and you will get a pass to re-enter. You will only be allowed to leave and then reenter with your vehicle once over the weekend. Upon returning you will only be able to reenter with your vehicle through the gate you left, and will be subject to a thorough vehicle search as if you are entering the site for the first time..

This policy will not affect day parkers. They will be allowed to enter and leave through a separate toll booth on Friday, Saturday, and Sunday. To get to the toll booth for day parkers use exit 111 from I-24 and follow the signs to the festival. If exit 111 is closed, follow police instructions and then follow the signs to day parking.

Please note that this policy only applies to vehicles and not to patrons themselves. Patrons will be allowed to leave and re-enter the event grounds on foot at their leisure.

Having this policy will allow the internal traffic flow to move more smoothly, enhance audience safety, and allowing maintenance trucks working on the port-o-lets, drinking stations, and other items to service these areas more effectively.

### **WHAT WILL BE PROVIDED?**

-Drinking water (see Water At Bonnaroo section below)

- Medical assistance
- Wash stations
- Portable toilets with toilet paper although we suggest that you bring at least one roll of TP, just in case. Also, you may prefer not to go into a portable toilet in the dark so we suggest bringing a flashlight with fresh batteries.
- A general store will be selling sundries (personal hygiene products, batteries, film, disposable cameras, ice, beer etc.)
- Vendors will be selling a variety of reasonably priced foods, beverages and snacks.
- Pay telephones - Collect and Credit Card Calls Only.
- ATM's- we still recommend that you bring enough cash for your stay to avoid potentially long lines or waiting for the machine to be serviced. Please bring enough money for any additional expenses you may have.

### **WATER AT BONNAROO:**

The Bonnaroo Music Festival provides a potable water system for the fans to drink and wash with. Drinking water on this site comes from wells with piping systems to faucets and taps located at guest service areas, Centeroo and the Main Venue. All water provided at taps, faucets and sinks at guest service locations has been tested and certified to meet Drinking Water Requirements in the State of TN. Bonnaroo Staff and the TN Dept of Health test the water daily during the concert to make sure water remains safe to drink.

The onsite water supply may contain sulfur which is prevalent in the area water supply. Sulfur is a non metallic element that is prevalent in nature. It exhibits an odor that can be offensive but is not a health risk. Large plastic or metal tanks DO NOT contain water safe to drink. These are for the collection of waste water.

### **WHAT TO BRING:**

Everything you'll need for the duration of your stay. In packing for your stay at Bonnaroo, bring raingear, a hood and an extra pair of shoes, sneakers, or mud boots in case it rains. We also recommend bug spray, a blanket for seating, sunscreen, a hat for shade, a plastic container (or two!) for water, plastic bags for trash, extra toilet paper (just in case), a lantern or a flashlight with extra batteries, a portable radio, a flag or balloon to identify your campsite, a small luggage lock for your tent (please don't bring any valuables – if you must, keep them locked in your vehicle out of view), ear plugs, extra trash bags, a camera (disposable) and a pen and paper for names and addresses, memories and set lists! For any last minute items you require or may have forgotten there will be a general store in the gathering area of the campgrounds. It is a good idea to bring an extra set of keys and keep it on your person (not locked in your car!). Obtain your key code before you leave home and bring it with you. This will cut down on the time it takes for the locksmith to duplicate your key if you lose it.

### **WHAT NOT TO BRING:**

- No Weapons of any kind
- No Fireworks
- No Illegal substances
- No Vending will be allowed
- No bicycles or scooters or personal motorized vehicles will be permitted. (This includes,

but is not limited to: golf carts, ATV's motor scooters, and powered skateboards)

No Glass Containers

No Professional Photography Equipment (small hand held cameras without additional lenses are fine)

For safety reasons any form of transportation that would carry you faster than a walking pace will not be allowed. This applies to all areas; camping, parking and the Centeroo / concert venue.

### **NO PETS!!! PLEASE LEAVE YOUR PETS AT HOME:**

Pets will be picked up and placed with the local humane society. Please use the local kennels if you are traveling with your pet. If a pet is found in the car you will be turned away - regardless how long you have waited in line or if you have ticket or not. Local kennel locations are listed below.

### **WHAT IS ALLOWED INTO CENTEROO (PERFORMANCE FIELDS AND FESTIVAL VILLAGE)**

Factory sealed bottled water (non-glass containers)

Empty water bottles (non-glass containers)

Non framed backpacks (they will be subject to inspection at venue gates)

Low seated concert chairs (chairs must sit less than 1 ft off the ground)

Blankets

### **WHAT IS NOT ALLOWED INTO CENTEROO**

No glass or cans

No food or drinks - other than factory sealed water bottles and small snacks

No folding chairs other than low seated concert chairs (chairs must sit less than 1 ft off the ground)

### **WORDS OF WISDOM:**

With your cooperation we can leave a positive impression with the town of Manchester, and in doing so, preserve the vitality of the Bonnaroo community. Please respect the rules of the venue and local community so that we may be welcomed back in the future.

The use of illegal drugs is strictly prohibited at Bonnaroo. All laws pertaining to drug use should be respected. We encourage you to participate in the festival in a lawful and healthy manner. Various clean and sober groups will be onsite should you or any of your friends need their assistance.

The sale of nitrous oxide is strictly prohibited. Consider these facts:

Nitrous Oxide cuts off the flow of oxygen to the brain; numerous emergencies have occurred due to its ingestion, ranging from concussions (falling down after passing out) to, in extreme cases, death; and some confiscated "nitrous" tanks actually contain other toxic gases such as argon or automotive nitrous (which contains petroleum). If you purchase nitrous oxide you are likely to be supporting people who care nothing about, and contribute nothing to, the Bonnaroo community.

We work hard to insure the safety and quality of all official food and beverage vendors. For health and quality reasons, we urge you to refrain from buying from unlicensed vendors. We appreciate your support of the official Bonnaroo vendors as they have made a commitment to the festival to provide quality and safe food options for you. There are many authorized vendors in the festival area and campgrounds.

The sale of alcohol is strictly prohibited.

The service roads must remain open at all times. Please walk on the wide shoulders provided, not on the roadways! This is the only way that we can provide emergency medical and fire protection as well as refill water tanks, service the toilets and pick up the trash.

### **ILLEGALLY PARKED VEHICLES WILL BE TOWED!**

Throwing of glow sticks is dangerous and can cause serious injuries. Please refrain from throwing glow sticks in the concert fields.

### **CAMPING ONLY AREAS**

We will provide limited Camping Only areas near the Main Venue and Centeroo, which will be identified on the maps you will receive as you are processed through the tollbooths. These areas will not allow cars or vehicles of any kind. All vehicles will be towed and any illegal vendors removed. All attendees will come in through the regular toll booths and will be parked as if they are going to be camping with their vehicles. Patrons will have the option to move from their parking/camping site to this area with their camping gear only - dropping gear or people off from vehicles will not be allowed. If you are interested in utilizing these areas we suggest that you bring a backpack or small luggage cart to carry your gear as you may be parked far away from this area. We will have two general stores and sanctioned vendors in these areas so procuring supplies etc. will not be an inconvenience. The space allotted for Camping Only areas is limited, and will be filled on a first-come first-served basis. If you get to the site too late to take advantage of these areas you will still have the camping space that goes with your vehicle.

### **CAMPGROUND OPENING / CLOSING TIMES:**

The parking lot and campground will open at 7:00 a.m. on Thursday June 9, 2005. The parking lot and campground will close at 3:00 p.m. on Monday June 13, 2005. Please do not come early -- you will be turned away!

### **LOCATION / DIRECTIONS / TRAFFIC**

#### **LOCATION:**

The festival site is a beautiful 700-acre farm in Manchester, TN, which is about 60 miles southeast of Nashville and northwest of Chattanooga.

### **Some General Information When Traveling To Bonnaroo:**

As you approach Manchester, be sure to tune into Radio Bonnaroo at **(WFTZ 101.5 FM)** for up to the minute traffic announcements, news, as well as an eclectic mix of music, artist interviews, and in-studio performances.

Please note that upon your approach to the festival site there will be various checkpoints where your ticket must be presented in order for you to be able to proceed. Everyone in your vehicle must have a ticket to proceed past the checkpoints. You will be turned around and sent to the back of the line if anyone in your vehicle cannot produce a ticket. In our effort to expedite this in the quickest manner possible, please have your tickets ready and in an accessible place inside your car as you are nearing the festival site.

There will be an organized shuttle service from the Nashville airport. Please go to travel info section for more information on airport shuttles. When not using the shuttle, please carpool whenever possible. Please do not arrive earlier than the opening time -- you will be turned away!

\*When driving to and from the event be certain to obey Tennessee highway safety laws. Be advised that open container laws will be strictly enforced on all roads.

#### **DIRECTIONS:**

We are trying to make sure that all entrances are used by about the same amount of traffic. This will improve the flow into the site. You can help by using the following routes (unless electronic message signs tell you to follow an alternative route):

#### **NO BOX TRUCKS WILL BE ALLOWED.**

RV's will be allowed, please read details below.

If you are coming from Alabama, Florida, Georgia, North Carolina, Ohio, South Carolina, Virginia, all other states in the northeast including Maryland and Pennsylvania, or other locations east of the site:

1. Use I -75 or I -59 to Chattanooga
2. From Chattanooga take I-24 west to the new Exit (112) directly into the site

If you are coming from Colorado, Illinois, Indiana, Michigan, Missouri, Texas, Wisconsin, or any other locations west of the site:

1. Use I-40, I-24, or I-65 to Nashville
2. From Nashville take I-24 east to Exit 111 and follow directions to Site

If you live in Tennessee, use one of the routes listed or consider using Route 55.

#### **TRAFFIC:**

While we made many improvements to the overall traffic plan for last year's festival, which decreased the entrance and exit time for many festival patrons, we recognize that this is an area that still needs improvement. Therefore we have made changes that will further speed up the process this year. These changes include consolidation of tollbooths at the Festival periphery, re-organization of parking staff, increased communication with law enforcement personnel, separation of RVs from other traffic, and the new in-out policy described above.

Your help will be appreciated especially during load-in and load-out times, by only using the designated pedestrian walkways. This will help the internal flow of traffic, which will significantly decrease back up. We also ask for your help by carpooling as much as possible and by cooperating with our parking staff, law enforcement, and following all internal traffic plans.

PLEASE NOTE: There are no on site gas vendors. Be sure to fill your tank before entering the festival grounds.

#### **RV PARKING AREA / RV PARKING PASSES - NEW THIS YEAR** (Buses and Oversize vehicles included)

There will be designated RV only parking areas in the campgrounds this year. All RVs attending Bonnaroo will be required to park in these areas.

Due to the increase in the number of RVs attending, and the amount of space they take up, there will be a limited number of spaces available in these areas. One RV pass will be required for each RV. Parking all of the RVs together allows us to provide adequate camping space for traditional campers and better maintain the camping grounds while improving traffic flow. The RV camping area will make it easier for RVs to exit the grounds after the event, and to be serviced throughout the weekend.

RV Parking Passes must be purchased in advance to reserve an RV space. If you do not have an RV Parking Pass, you will not be allowed to enter with your RV. Only RVs with RV parking passes will be allowed on site. An RV is defined as any vehicle larger either in length, width or height than a normal sixteen (16) passenger van. All oversized vehicles, campers that are towed and busses are considered RV's. **NO BOX TRUCKS WILL BE ALLOWED!**

RV Parking Passes are onsale now and available through ticketing for \$40.00 per RV. Everyone in an RV must possess a regular festival ticket to enter. Each RV will only need one RV pass to enter. Each RV space will be 20' X 50'. Tents can be set up if they are within this space. Any slides or awnings must fit within the designated space as well.

PLEASE NOTE: There are no on site gas vendors. Be sure to fill your tank before entering the festival grounds.

## **COMPANION PASS**

At the time you purchase an RV Parking Pass you will be given the option of purchasing a Companion Vehicle Pass for \$10. The Companion Vehicle pass will allow an accompanying vehicle into a designated camping area next to the RV camping areas. Companion Vehicles will not be allowed to park directly next to an RV. The Companion Vehicle must arrive together with the RV so it can be parked in the appropriate corresponding area. Make sure you stay together as you approach the site. Companion Vehicles will not be allowed to park in the RV area fire lanes. Any vehicles or obstructions will be removed at the owner's expense.

There will be RV areas serving each of the major routes to the festival so follow the general directions to the site. You will be directed to the RV area closest to the entrance you arrive at after you have passed through the tollbooths. Once an RV is parked in a designated space, it cannot move to another space. If you leave you will surrender your RV space. A company will be onsite in the RV areas to pump tanks and refill water for an appropriate fee.

Please see the RV FAQ below for answers to additional questions.

### **NEW THIS YEAR**

Throughout the campgrounds, we're establishing a series of 'pods' or 'community centers.' Each of these pods will be staffed by a group of 'Bonnaroo Ambassadors,' who will be living in the campground area for the duration of the festival. Your Bonnaroo Ambassadors will be there to greet you when you arrive at Bonnaroo and help you get oriented, and they'll be around to assist you all weekend long. Pods will be marked on your festival map and will be easily locatable. At each pod, there will be an information booth offering quick answers to all of your questions. Each pod will offer a community bulletin board, mist tents, wash stations and toilets, and direct contact with key festival personnel.

**Q-** What emergency services will be available on site? What should I do if I need emergency assistance (medical, police, towing, locksmith, etc.)?

**A-** There will be emergency medical personnel and Security personnel onsite around the clock. If you need EMERGENCY medical or police attention, find a staff person with a radio, go to an information tent, medical tent, or tell one of the mounted security personnel. At the end of the weekend, there will be tow trucks patrolling the parking areas for those who need them, but there could be a long wait for their services. Make sure your lights and radio are turned off when you park so you don't drain your battery! Try not to lose your car keys or lock them in your car. Also, please help us keep the parking areas clear of discarded bottles and other hazards - the tires you save could be your own!

**Q-** Where should I go if I lose my keys, my wallet or my friends?

**A-** Lost and found will be located at the information tents. If you lose something, or someone, check there. If it or they are not there the first time, check again later. If you find something that needs to be returned to its owner, please drop it off at an info tent. It is a good idea to bring an extra set of keys. Obtain your key code before you leave home and bring it with you. This will cut down on the time it takes for the locksmith to duplicate your key if you lose it.

**A- NO PETS!!! PLEASE LEAVE YOUR PETS AT HOME:**

Pets will be picked up and placed with the local humane society. Please use the local kennels if your pet is with you. If a pet is found in the car you will be turned away- regardless how long you have waited in line or if you have ticket or not.

These areas will not allow cars or vehicles of any kind. All vehicles will be towed and any illegal vendors removed. All attendees will come in through the regular toll booths and will be parked as if they are going to be camping with their vehicles. When you are done cooking with charcoal, put it out with water before going into the show or going to sleep or leaving your camp, rather than letting it burn out over time. ## **MISCELLANEOUS**

**Q-** What is the security going to be like at Bonnaroo?

**A-** Event security and mounted patrol will be located throughout the site for the entire duration of the event. If you have an EMERGENCY, find a staff person with a radio, go to an information tent, medical tent, or tell one of the mounted security personnel.

**Q-** What are the exact set times?

**A-** The exact set times (and set lengths) have not been determined. Please check back or join the e-list to receive updates.

**Q-** Is there anything else I should know?

**A-** Pace yourself! Eat enough, drink enough water (it's really important to stay hydrated), and get enough sleep so that you can enjoy the second day as much as the first. Also, if you can bring patience and a sense of humor, it will be a great gift to yourself as well as those around you, and it will help you to get the most out of your experience. Be a good neighbor - get to know your neighbors, watch their stuff and they will return the favor.
